HOTEL TIPS AND TRICKS FOR ALL THE FAMILY

Nǐ Hǎo My Dearest Friends!

By now you will be eagerly awaiting your well-earned break in our little corner of paradise. Perhaps you are still pondering what to pack for your phantastical trip. Well, I am here to help with a few tips and tricks ahead of your holiday.

HOW TO PREPARE

YOUR PACKING ESSENTIALS

Swimming gear is a must so that you can enjoy a refreshing dip in our 1.8-metre-deep pools! And don't forget floatation aids for your little ones if needs be. Towel robes or ponchos could also come in particularly handy after a swim.

COTS

Is a member of your expedition still very little? Not a problem! Simply let us know in advance by emailing us at hotel@phantasialand.de or calling us on +49 (0)2232 36-600 and we'll get the ideal dragon bed ready for your arrival in your zen room.

THE COUNTDOWN IS OVER!

HELPFUL TIPS FOR TRAVELLING TO THE HOTEL

When you turn onto Berggeiststraße, ideally you need to be in the lane furthest to your right. Tell our friendly traffic assistants that you're heading for the hotels. They will direct you to the roundabout, where you'll need to take the second exit – then it won't take you long to reach the entrance to the hotel car parks and underground car park on the left-hand side.

WHEN DOES CHECK-IN OPEN?

You can check in at any time, though your room won't be ready until 3:30 p.m. If you arrive before your room is ready, you can leave your belongings in our luggage room. Our reception team will hand over any pre-booked Phantasialand tickets – so that you can start your incredible journey of discovery through Phantasialand straight away!

KROKABANA

Younger guests can enjoy a welcome gift, our delicious Krokabana kids' cocktail, and set off exploring through our heavenly hotel gardens. Meanwhile, you can sit back and unwind over a glass of lychee wine at our Li River Bar.

HOTEL GARDENS

While your little explorers marvel at our koi carp, you can take some time out from the daily hustle and bustle. Sip on a relaxing cup of tea in one of our comfortable basket chairs, surrounded by the relaxing rustle of the bamboo and peaceful bubbling of the water.

EXPLORING ASIA WITH ALL YOUR SENSES

Breakfast is served in our Restaurant Bamboo every morning between 7 and 11 a.m. Here you can enjoy traditional Asian dishes, such as omelettes cooked on a Teppanyaki grill, as well as a wide assortment of breakfast favourites. We have high chairs available for our younger explorers, while our children's buffet has something to cater to every taste.

Our suggestion: Book your table at reception as soon as you arrive. You may even want to make a dinner reservation for an evening tasting tour through Asia for the entire family.

ACCESS TO THE PARK

As a hotel guest, your Asian adventure can continue straight into the park – our exclusive park access through the hotel gardens will take you directly to China Town. Don't forget your tickets. Upon entry, we will stamp your hand with an invisible mark so that you can come and go as you please!

HELP ON HAND AROUND THE CLOCK

Got a question about breakfast in the morning? Or perhaps you have one last question before you hit the sack after your phantastical day? Not a problem! Our friendly reception team are on hand to help any time, day or night!
